

Scenic ROUTE

30° 30' 24.19" N
98° 06' 20.30" W

Hill Country

RM 1431 west of Cedar Park provides a great scenic drive year-round, and in the spring, the section between Lago Vista and Marble Falls generally offers good wildflower-viewing spots. A visit to some of the recreation areas along the way can yield spectacular scenes, such as this nighttime view captured last year at Turkey Bend Recreation Area along Lake Travis.
